## Fire Safety Solutions

- Extinguisher refilling, HPT Testing & Annual Maintenance
- Training & development of Skilled fire fighter & rescue operator
- Emergency Action Plan preparation , Exit Plan
- Fire prevention adequacy study
- Thermography of electrical equipment's and distribution panels
- Fire Pump Performance testing
- Fire audits, Fire Drills, Rescu planning
- Hydrant & Fire pump inspections, risk assessments

## Training & Development

- Basic Firefighting
- Certified First-aider,
- Forklift /Industrial Trucks driving certification
- EHS Legal compliance
- PPE usages ,
- Ergonomic
- Behavior-Based Safety implementation,
- Work Permit System
- Advanced fire fighting techniques
- Self Contained Breathing Apparatus (BA) Sets
- Fire Proximity suit handling,
- Fire extinguisher use, LPG/electrical fires
- Evacuation techniques
- LOTO
- Risk Assessment techniques
- Internal Auditor Program for ISO Certifications
- Chemical Management
- MSDS

## Consultancy & Audits

- Risk Assessment
- HAZOP
- Document preparation and site preparation for Onsite Audit for ISO 14001, 45001, 50001
- Obtaining Various Pollution Control Board consents i.e. CTE, CTO & HWM from State Pollution Control Board)
- EPR registration and schedule compliances under Plastic waste Management
- EPR Registration & Schedule Compliance under E- waste Management
- EPR registration & Schedule Compliance under Battery Waste Management
- Bore well NOCs & Schedule Compliance
- Environmental Clearances
- Factory licenses,
- Fire NOC
- Building plans Approvals, Environmental certificates

# Sustainability, Environment & Occupational Health Services

- Energy & carbon audits, EIA, waste reduction
- Sustainable facility design, air quality testing
- LEED/IGBC certification, health surveillance
- Wellness audits, regulatory advisory
- Borewell NOC,
- EPR for plastic/e-waste/batteries
- STP & ETP plant O&M
- ISO 14001, 45001, 50001 implementation
- Fire & industrial safety training
- Health Survey
- Health Awareness Campaign

## Digital & Software Solutions

- Work Permit System
- Accident reporting application
- Safety awareness videos
- MIS dashboards
- Specific animated HSE trainings
- ESG reporting application
- Visitor Management system
